

The ABA Support Network

Presents

“Celebration of Life for Dr. Ivar Lovaas”

Dr. O. Ivar Lovaas, a world-renowned autism expert who devoted his career to improving the lives of children with autism and their families died on August 2nd at age 83.

Parents and professionals in BC will gather on this special evening to pay tribute to Dr Lovaas. Come learn about the history of Lovaas and the research and development of Applied Behavioral Analysis as a treatment for autism.

Hear from the parents who founded FEAT of BC (www.featbc.org) and who brought ABA treatment into this province.

Share your own story about Dr. Lovaas and what ABA has done for your family.

Guest Speakers:

Dr. Glen Davies, Director of ABLE Developmental Clinic

Dr. Sabrina Freeman, Parent and Founding Director of FEAT-BC

Jean Lewis, Parent and Founding Director of FEAT-BC
